Helpful Party Hints

Yes, you may bring in your own food and coolers for your golf party. Sorry, we are unable to provide cold storage and alcohol is not permitted in Pottawatomie Park.

River View Miniature Golf offers an unique outdoor party opportunity, but we can not control the weather. We encourage all party hosts to include a rain date on their invitation or have an alternate plan in mind in case we are forced to close due to severe weather. The safety of our guests is most important.

Seating is based on a first come basis. Pavilions in the park can be reserved.
