## Welcome!

Thank you for choosing the St. Charles Park District's Preschool Program for your child's earliest educational experience. Our programs at Pottawatomie Community Center (PCC) and Hickory Knolls Discovery Center (HK) are both structured to help the whole child grow through developmentally appropriate activities. When children play, they benefit from engaging in hands-on exploration of materials. Participating in art and sensory-filled tasks support the emergence of children's fine motor and gross motor skills. Social and emotional growth occurs in every area of our day. Our classrooms promote an atmosphere that encourages children to:

- Become independent
- Respect others
- Develop creativity
- Feel safe within the school environment
- Learn kindergarten readiness skills

### The health and safety of St. Charles Park District participants and staff is our top priority.

As guidelines continue to be released we will be updating and communicating our procedures to follow a combination of guidelines from Community Unit School District 303 (CUSD303), the Illinois State Board of Education (ISBE), Center for Disease Control (CDC) and Illinois Department of Public Health (IDPH), as they apply to schools and childcares.

***Please know we will be closely following and enforcing our sick policy guidelines.***

3. The District reserves the right to review and make the final decision on all refunds
4. Should preschool be canceled for emergency situations due to unforeseen circumstances, refunds made for classes missed will be processed as a household credit to your account, in a timely manner. Payment plans may be paused for prolonged closures.

### **Childcare Expense Statements**

Receipts can be issued upon request, as well as a Statement of Account that includes all registrations and payments to SCPD for a given period of time. A Tax ID Letter is also available. SCPD is not responsible or liable for determining childcare expenses.

## **Inclusion Services**

If your child has any special medical, physical, psychological, and/or emotional needs, please list them in detail on your registration material. Lack of information may adversely affect the District's ability to accommodate the needs of your child, and may necessitate that participant's removal from the program. SCPD is not responsible for any injuries, complications, damages, or losses due to withheld information. Accommodations may be made to assist your child. A two-week notification prior to the start of classes is required for all children requesting inclusion services. *Please note all special needs your child requires in your Emergency Information ePACT account.*

## **Modifications for patrons with disabilities:**

Families seeking modifications for their child should indicate this on their registration form at the time of registration, or by first contacting the Preschool Supervisor for St. Charles Park District. A member of the Fox Valley Special Recreation Association (FVSRA) team will follow up to facilitate an individualized assessment (intake form) with the parent/guardian. Using this information and any documentation from previous participation, an inclusion support plan will be created.

*This plan can include the following modifications:*

- Staff training
- Visual systems (i.e. timers, written/picture schedule, etc.)
- Adaptive equipment/supplies
- Sensory supplies (i.e. noise-canceling head phones, fidgets, etc.)
- Behavior Management support (i.e. token economy systems, positive coping tools, etc.)
- Verbal cues
- Modifications to activities
- Additional personnel (i.e. Inclusion Companions or Sign Language Interpreters)

If there is an Inclusion Companion on site as part of your child's modification plan, please note that the scope of care is limited in order to comply with the guidelines set forth by the IDPH and CDC.

At this time, staff are no longer able to perform:

- Personal care (i.e. toileting, handwashing, eating, dressing, personal hygiene, etc.)
- Physical support (i.e. hand over hand assistance, lifting and transferring, etc.)
- Frequent interventions to emotional outbursts that require direct or close proximity or, which exposes staff to respiratory droplets (i.e. spitting or biting).

## **Modified Behavior Expectations**

*ALL participants should be able to meet behavior expectations with or without accommodations. Behaviors that could result in immediate dismissal from programs due to interventions requiring close proximity of staff and participant include, but are not limited to the following:*

- Spitting, licking, biting
- Hitting, grabbing, kicking, wrestling
- Running from the designated program area

## **Preschool Teachers**

We take pride in providing a quality preschool program, allowing you to feel confident in the experience your child will receive. Preschool staff hold a degree in early child education or a related field, and are certified annually in CPR/AED and First Aid. All staff are Mandated Reporters, certified through the Department of Child and Family Services.

### ***Arrival and Dismissal***

**Arrival:** Preschool participants must be walked to the building by a parent or guardian, and assigned class' doors will be opened at the class start time. To promote independence, children will be encouraged to hang their own jacket and backpack in their assigned location after entering the classroom. *Write your child's first and last name on all personal belongings to ensure personal belongings are not misplaced.*

**Dismissal:** Pickup at the end of class will take place at each class' assigned door. Preschool participants must leave with a parent or guardian. Students and siblings are not permitted to play in the classroom at dismissal.

*A Parent or Guardian must sign their child out on park district tablets at the end of each class.*

**Note:** Arrival and dismissal times are busy! Please watch your child(ren) at all times. As we are housed in public buildings, many community members are here for programming other than preschool. Please help your children respect those who visit and work in our buildings.

### **Late Pickup Fee (per child)**

If you are late picking up your child, a late fee of \$5 for the first five minutes (or any portion thereof) and \$1 for each additional minute will be charged. The Late Pickup Fee will be placed on your park district account. If late pickup becomes habitual, you will run the risk of your child being discharged from the program.

### **Emergency Contact & Release Form-Authorization**

- Following program enrollment, a link will be sent by **ePACT Network** for parents or guardians to create a secure Emergency Information Account for each child registered. You will be asked to upload a photo of your child. We will refer to this account in emergency situations.
- Only authorized individuals listed in each participant's ePACT Account will be permitted to pick up a child.
- Authorization for release will be accepted **ONLY** from parent/guardian(s) with primary custody.
- Parents/Guardians are responsible for informing the Preschool Supervisor of any changes to primary custody, restraining orders, or any other situations or changes which may affect the participant.
- Parents/Guardians are responsible for updating ePACT Accounts and notifying the Preschool Supervisor that changes have been made.

### **Absentee and Late Arrival Reporting Procedures**

A call is not necessary on a scheduled "No School" day. If your child will not be attending, **please call our Teacher Hotlines at 630-513-4325 (PCC) or 630-513-4398 (HK).**

**Healthy Kids Policy** - Each student and staff member will be expected to conduct the attached wellness questionnaire DAILY, before coming to preschool.

- We ask that you be considerate of other children and staff by keeping your child home if they show signs of illness such as uncontrolled coughing or sneezing, runny noses (not due to allergies), diarrhea, stomach issues, or rash.
- Paramedics (9-1-1) will be called to handle serious injuries. If your child needs emergency medical care, we will accompany them and a parent/guardian must meet us at the medical facility as quickly as possible.
- If your child contracts a contagious condition (e.g., lice or pink eye) that restricts them from returning, you must inform the Preschool Supervisor at 630-513-4326. The staff will then distribute Health Alert Notices to affected participants accordingly.
- A child must receive appropriate treatment, depending on the condition, before returning to the program and may require a medical release from a physician or medical provider before returning.

## Dispensing Medication Procedures

Strict policies have been established for dispensing of medication to participants. These steps must be taken if a participant is required to receive medication while in the program. This includes restrictions for cough drops, vitamins, pain relievers, and over the counter or prescription drugs.

Parents/Guardians are required to complete a *Medication Dispensing Form* via ePACT for all medications to be administered to participants by park district staff or the participant themselves.

### *Prescription Drugs / EpiPen-Controlled by Instructor*

- Parent/Guardian will provide District staff with the child's medication in the original container with prescription label that includes patient's name, physician's name, pharmacy name, name of medication and complete dosage information. The proper dosage for the day should be sent in the original container each day.
- Medication will be stored in a secure area and at a temperature consistent with the package instructions. If the program is held outside, staff will carry the medication with their emergency kit.

### *Inhaler-Controlled by child for self-administration*

- Medication must be in the original container with prescription label that includes patient's name, physician's name, pharmacy name, name of medication and complete dosage information.

## School Closing/Program Cancellation

*Emergency Closing Information will be distributed in these locations:*

[www.emergencyclosingcenter.com](http://www.emergencyclosingcenter.com)  
[www.stcparks.org](http://www.stcparks.org)  
[www.D303.org](http://www.D303.org)  
Television & radio news programs

In case of inclement weather, preschool will follow St. Charles School District 303 closing guidelines. If D303 cancels classes, preschool will also be canceled. Inclement weather days will be prorated and not be rescheduled.

D303 Late Start days that are declared due to inclement weather will result in morning preschool classes being canceled but afternoon preschool classes in attendance. Please check the above sites and your email for information in these cases.

If Pottawatomie Community Center or Hickory Knolls Discovery Center closes for any reason, including weather or an emergency due to unforeseen circumstances, preschool will be canceled and missed days will be prorated.

## Accidents and Injuries

Preschool teachers are trained to treat minor cuts, bruises, and other simple playground injuries. In the event of a serious injury, preschool teachers will call 911 to request emergency assistance. While a teacher attends to your child, another staff member will notify a parent or guardian, and if neither can be reached, an emergency contact person.

### **School Attire and Personal Belongings**

Have your child dressed for independence, comfort, and active play. Know that sometimes a successful day in preschool includes a little mess.

- Casual play clothes and close-toed shoes are appropriate preschool attire.
- Apply sunblock prior to arrival for activities that may be planned on-site outdoors.
- Backpacks (and extra clothing) are kept in assigned locations during school hours.
- Clearly label ALL personal belongings with your child's *first and last name*.
- Leave toys at home, where they will not be lost or broken.

### **Independence**

An important aspect of attending preschool is the development of a child's independence. Please be sure your child practices carrying their backpack, putting on (and taking off) their own coat, and can *independently* open and close the water bottle and snack/lunch they bring each day.

### **Bathroom Procedures - Twos Plus Preschool**

We understand children at this age are learning toilet training. Although we do allow children in Pull-Ups, parents must be within 5 minutes of Pottawatomie Community Center to tend to the needs of your child should an instructor call. Children may use the bathroom at any time during the school day.

- Instructors will stand outside the bathroom stall door.
- Instructors will not wipe bottoms.
- Instructors may assist with buttons, snaps, zippers, and belts.
- Parent/Guardian will be called to come in and tend to bathroom accidents.

### **Bathroom Procedures - Threes/Pre-K Preschool**

All participants must be fully toilet-trained and are responsible for all of their own toileting needs. Children may use the bathroom at any time during the school day. Encourage your child to tell the instructor if they need to use the bathroom to avoid accidents.

- Instructors will stand outside the bathroom door.
- Instructors will not wipe bottoms.
- Instructors may assist with buttons, snaps, zippers, and belts; however, please have your child dressed for *independent* success.
- Parent/Guardian will be called to come in and tend to bathroom accidents.

### **Safety Drills**

Safety drills will be scheduled throughout the school year to prepare participants for what to do in an emergency situation. Safety Drills include fire drills, tornado drills, and lockdown drills.

### **Parent Communication**

Communication is key to your child having a positive preschool experience. Each preschool classroom distributes a monthly calendar and newsletter via email containing important information regarding curriculum, special events, reminders, and general classroom news. Please be sure to check your email account frequently, and let your child's teachers know if you are not receiving information.

Parents are welcome and encouraged to email classroom teachers at the addresses below, or to leave messages on our Teacher Hotlines at 630-513-4325 (PCC) or 630-513-4398 (HK), to receive a phone call back.

<b>Mrs. McCarthy &amp; Mrs. Seymour</b>	Foursandfives1@stcparks.org

<b>Mrs. Lewis &amp; Mrs. Rosenberg</b>	Foursandfives3@stcparks.org
<b>Mrs. Beck, Mrs. Burkoth &amp; Mrs. Muncie</b>	HKpreschool@stcparks.org

Additionally, teachers will communicate with parents via **Seesaw Class**. The Seesaw Class App is available from the Apple *App Store* or *Google Play*, and can also be accessed on your computer. Each classroom will send individual QR codes and connection instructions.

### **Contact Information**

It's important that the District has accurate contact information should a parent/guardian need to be called. Notify the Preschool Supervisor and your classroom teachers of any changes in phone numbers, emergency contact people, or medications so our records can be updated. Be sure to update this information in your child's ePACT account as well.

### **Parent Survey**

Each preschool year, parents are given the opportunity to participate in a survey about your child's experience in our preschool program. Your feedback is important to us and we appreciate you taking the time to share your thoughts. If you have questions or concerns anytime throughout the year, feel free to contact the Preschool Supervisor or your child's preschool teachers.

### **Developmental Assessments**

Your child will receive a developmental assessment completed by their preschool teachers in January (Pre-K) or February (Threes) and again in May. These assessments will highlight areas we are seeing developmental growth in your child as well as identify areas we feel your child needs additional practice. Teachers use the information in the assessment to modify and develop curriculum plans to better meet the needs of each individual child. Parent/teacher conferences will be offered in January (Pre-K classes) or February (Twos and Threes classes) once assessments have been completed.

### **Discipline Policy**

Discipline is the ongoing process of helping children to develop inner controls and assume responsibility for their own actions. We accomplish this by setting and enforcing consistent and clear rules, limits, and consequences prior to and as part of any disciplinary action. Preschool teachers will use positive statements to redirect behavior. Children will have a reasonable opportunity to resolve their own conflicts, with adult intervention as needed.

## **2021-2022 Preschool Calendar**
