

2023 COUNSELOR IN TRAINING LEADERSHIP PROGRAM APPLICATION

Become a role model and have the best summer of your life! The CIT leadership program is designed for teens with a genuine interest in engaging with others. You will develop leadership and communication skills, gain experience in planning activities, and assist in instructing summer campers. CIT leaders will be held to high expectations. A positive, cooperative attitude is a critical attribute for this unique opportunity. CIT leaders will be mentored and assisted each day all summer long. Program participation is based on an application and interview process. This program does not guarantee a paid position as a counselor at the St. Charles Park District once participants are eligible for employment. **If you have any questions, contact Kara Guizzetti at 630-513-4326 or kguizzetti@stcparks.org.**
