Welcome to Baker Station, our after-school program! We're excited to have your child join us for what we know will be a fun and enriching school year.

Baker Station is a collaborative effort between the St. Charles Park District and St. Charles Community Unit School District 303 (CUSD 303). While the Park District oversees program operations, D303 provides space for the program at several schools—Bell-Graham, Davis, Ferson Creek, Fox Ridge, Munhall, Wasco, and Wild Rose—and handles student transportation using District buses.

This program is specially designed for children in kindergarten through 5th grade. Each day, participants will enjoy a variety of engaging activities, including arts and crafts, indoor and outdoor play, games, and healthy snacks, under the care of our trained and compassionate staff.

To help you get acquainted with Baker Station, we've prepared a handbook outlining important details and procedures. We encourage you to take a few moments to review it.

Our top priority is to provide a safe, active, and well-supervised environment where your child can grow, explore, and have fun after school.

If you ever have questions, concerns, or suggestions, please don't hesitate to reach out by phone or email.

We're looking forward to a fantastic year ahead!

- **School:** Must complete the school day at one of the following District 303 locations: Anderson, Bell Graham, Corron, Davis, Ferson Creek, Fox Ridge, Munhall, Richmond, Wasco, Wild Rose.

 - Conduct services of a personal nature (feeding, dressing, toileting) independently.

ePACT (Emergency and Medical Information Form)

Parents/guardians must provide Medical, Emergency and Authorized Pick-up information for their child prior to your child attending Baker Station. A link to provide your child's information will come from ePACT Network following your program enrollment. **ePACT must be completed prior to your child's first day of Baker Station.** As part of the District's Emergency Response Plan, it is critical that all participant information is accurate and updated on an annual basis.

Participant and Parent Guidelines

To maintain a safe and enjoyable environment, preserve a healthy program experience, and encourage self-responsibility for actions; District programs have the expectation that both parents and participants will comply with each program's expectations.

Participants/Guardians in any St. Charles Park District program or event are expected to:

- Respect one another, including all participants, staff, volunteers, and patrons
- Obey all rules and policies, to maintain a respectful and safe environment for all
- Listen to and accept the decisions of employee or contractor direction without protest
- Be responsible for his/her/their actions, and demonstrate good sportsmanship throughout program duration
- Help to maintain and keep all equipment, supplies, facilities, and common areas in good condition

- Be courteous to all, and allow others in the program and facility to enjoy the activity without disruption

Our guidelines are intended to encourage participation and enjoyment by all. Participants displaying inappropriate behaviors will result in a Behavior report. Program participant guardians who display inappropriate behaviors may result in a compromise of your child's ability to participate.

Behavior and Discipline Policy

Discipline is the ongoing process of helping children develop inner controls and assume responsibility for their own actions. We accomplish this by setting and enforcing consistent and clear rules, limits, and consequences prior to and as part of any disciplinary action. Staff will use positive statements to redirect behavior. Participants will have a reasonable opportunity to resolve their own conflicts, with staff intervention as needed. All participants are expected to meet participation expectations with or without accommodations, or the support of FVSRA. A strict behavior guideline (see *Youth Participant Behavior Guidelines*) has been set to ensure the safety of staff and participants. Some behaviors may result in immediate dismissal.

Program Participant Re-entry

To promote a safe, respectful, and positive environment for all; participants who have previously withdrawn or been dismissed from any District program with multiple violations of the *Youth Participant Behavior Guidelines* will be considered for future participation on a case-by-case basis. Re-entry eligibility will require adherence to an individualized re-entry plan developed in collaboration with Fox Valley Special Recreation Association (FVSRA).

Accommodations for Individuals with Disabilities, Individual Education Plans (IEPS) or 504 Plans

CHILDREN WITH INDIVIDUAL EDUCATION PLANS (IEPS) OR 504 PLANS

St Charles Park District believes in the right to an excellent recreational experience for all individuals from all backgrounds and ability levels. If your child has special medical, physical, psychological, and/or emotional needs or has a 504 plan or Individual Education Plan (IEP) from the school district, please contact the program supervisor.

Lack of communication may adversely affect our ability to accommodate your child's needs. To provide the best customer service, we ask for at least two weeks' notice before the start of the program to coordinate modifications. Participation may be delayed for requests received after that time frame.

INCLUSION SERVICES FOR INDIVIDUALS WITH DISABILITIES

St Charles Park District works in collaboration with the Fox Valley Special Recreation Association (FVSRA) to make reasonable modifications in compliance with the Americans with Disabilities Act (ADA) for individuals with disabilities. Modifications are determined in cooperation with FVSRA and may include a combination of additional training for staff, program adaptations, the use of modified equipment, and, when necessary, additional staff support.

Timeline for Services

For new participants, FVSRA aims to complete an intake assessment within one week of receiving your request for inclusion services. Once an individual has a completed intake on file, the average time to determine and coordinate modifications is two weeks. To provide the best customer service, we ask for at least two weeks' notice before the start of the program to arrange modifications. For more information on inclusion services, visit FVSRA's FAQ: <https://www.fvsra.org/inclusionfaq>

Dispensing Medication Procedures

Strict policies have been established for dispensing medication to participants. These steps must be taken if a participant is required to receive medication while in the program. This includes restrictions for cough drops, vitamins, pain relievers and over the counter or prescription drugs.

Parents/Guardians are required to complete a *Medication Dispensing Form* via ePACT for all medications to be administered to participants by park district staff or the participant themselves.

Prescription Drugs / EpiPen-Controlled by Instructor

- Parent/Guardian will provide the park district staff with the child's medication in the original container with prescription label that includes patient's name, physician's name, pharmacy name, name of medication and complete dosage information. The proper dosage for the day should be sent in the original container each day.
- Medication will be stored in a secure area and at a temperature consistent with the package instructions. If the program is held outside, staff will carry the medication with their emergency kit.

Inhaler-Controlled by child for self-administration

- Medication must be in the original container with prescription label that includes patient's name, physician's name, pharmacy name, name of medication and complete dosage information.

Accidents and Injuries

Staff are trained to treat minor cuts, bruises, and provide other simple first aid care. In the event of a serious injury (including protruding broken bones, uncontrollable bleeding, bleeding from the head, etc.), staff will call 9-1-1 to request emergency assistance. While a staff member attends to your child, another staff member will notify a parent or guardian, and if neither can be reached, an emergency contact person.

Child Abuse Reporting

Park District staff are mandatory reporters of suspected child abuse. Proper care of children includes providing clean and weather appropriate clothing, proper nutrition, bathing, sleep, patience and lots of love.

Emergency/Back-Up Driver and Authorization for Pick-Up

Emergency Contact: One authorized pick-up person must be available ASAP, in the case that your child needs to be picked up due to illness or misbehavior. We strongly encourage each participant to have one Authorized Pick-Up person within 20 minutes of the program site.

Back-up Driver: If you are running late and will not be able to pick up your child by 6pm, we ask that you have a back-up driver. This should be a person that you can depend upon to pick up your child at the Baker Station site by 6pm. If you foresee that you won't be at the Baker Station site by 6pm, it is your responsibility to call the backup driver and arrange to have your child picked up. Continuous late pickup will result in dismissal from the program.

Authorization for Pick-up: All authorized pick-up persons must be at least 16 years of age and must be listed as authorized in ePACT. We cannot release a child to an unauthorized person. If you plan to have your child picked up by someone other than an authorized person, it is necessary to notify Baker Station staff in writing.

DROP-OFF & PICK-UP PROCEDURES

Pick-Up Procedure*

When Baker Station is at the school sites, a staff member will sign them in when they arrive for the day. When picking up your child you must walk up to the designated door for the school and sign them out. Anyone other than a parent/guardian or the designated back-up driver(s) will not be allowed to pick up your child, if they are not listed as an Authorized Pick-Up Person through ePACT. In an emergency, an email can be sent to the Baker Station Coordinator or Program Supervisor to authorize someone not listed on the pick-up form to pick up your child. The Baker Station staff will ask for identification upon pick-up.

**District 303 administration policy dictates all school doors remain locked. Parents will have to contact Baker Station staff within the building to pick-up their child. These procedures are for the protection of your children. With their safety in mind, we may refuse to release a child to anyone if they are obviously impaired or in any way incapable of driving.*

Late Pick-Up Procedure

Baker Station ends at 6pm daily. We ask that you make every effort to have your child picked up on time. If you are late picking up your child, a daily late fee will be charged. You will be billed for the late fee. You will have one week from the date of the late arrival to remit payment.

- For the first 5 minutes you are late, a \$5 late fee will be charged. For each additional minute, a \$1 late fee will be charged per minute. (i.e. If you are 12 minutes late, you will be charged \$12.) Time is based on the Baker Station clock.
- Exceptions will be made due to uncontrollable circumstances (i.e. car accident, death, illness). Baker Station staff and the Park District's Recreation Supervisor shall have the final say of what constitutes an uncontrollable circumstance.
- If a parent/guardian does not arrive to pick up after 60 minutes and staff has not been able to speak with a parent/guardian and/or all other contacts have been exhausted, the Police Department will be notified.
- **If late pick-up becomes habitual, your child will be dismissed from the Baker Station program.**

If D303 cancels classes for any reason at a specific school, Baker Station for that location will also be cancelled. A refund will not be issued for cancelled days.

Reporting Absences

If your child will be absent on a day they would normally attend Baker Station, you need to email your site directly or email the Baker Station Coordinator, ALL absences must be reported by 12:30pm on the day of your child's absence. The St. Charles Park District and Baker Station **staff does not receive this information from the individual school sites**. There are no refunds or credits issued for days missed.

Healthy Students Only

No participants will be able to attend Baker Station if they have been sent home from school for any reason (medical or behavioral), removed from school (doctor appts., etc.) or did not attend school that day for any reason.

- If a child seems to be running a fever or appears sick during program, we will request that they be picked up immediately. A child is to be fever-free and/or vomit-free for 24 hours before returning to the program.
- A child must receive appropriate treatment, depending on the condition, before returning to the program and may require a medical release from a physician before returning.
- In consideration of other children and staff, keep your child home if they show signs of illness, such as uncontrolled coughing or sneezing, runny noses (not due to allergies), diarrhea, stomach issues, or rash.

Please know we will be closely following and enforcing the sick policy guidelines. No refunds will be granted for missed days due to illness.

This includes, but is not limited to, cell phones, smartwatches, tablets (e.g. iPads), iPods, handheld gaming devices, and computers.

To provide a safe, engaging, and socially interactive recreational environment, the use of electronic devices – including those issued by CUSD303 – is not allowed during program hours. Continued non-compliance will result in disciplinary action.

Physical Activity

The after-school program is sensitive to the fact that children are in need of physical activity after school. Therefore, each day will have time set aside for recreation. Please have your child dressed for the weather. During this time, we may also play games in larger groups. The focus of the physical activities will be on having fun and being active. The same school rules that apply during the school day for indoor and outdoor play will apply during Baker Station hours.

Snack

Baker Station will provide one snack in the afternoon for everyone. If your child has any dietary restrictions, please indicate these in ePACT. You may choose to provide a snack that meets your child's needs or additional snack for your child if one snack is not sufficient.

Homework

One of our primary responsibilities is to ensure the health and well-being of our students. In order to achieve this, scheduled quiet time will be provided to all students. All students will be required to engage in quiet activity during this time. Students will be encouraged to do homework but will not be required to do so. Children will be expected to work independently, but help is available from the staff. **Baker Station staff will not force children to do homework.** Your child may not always finish all their homework during the after-school program. Parents will maintain full responsibility for ensuring accuracy and completeness of all assignments.

Clothing/Lost and Found

Weather permitting, we will go outside on a daily basis. Please dress your child appropriately. Jackets, hats, mittens, backpacks, etc. should be clearly labeled with your child's name and school. Items left at the individual Baker Station sites that are found and turned in will be kept there until claimed. We strongly encourage children to leave all toys and electronic games at home as they can get lost, stolen or broken. Baker Station is not responsible for items that are lost, stolen or broken.
